HOMEWORK

DUE: Friday, 25th September

READING

See "Homework Expectations". Read **EVERY** night and record it in your Reading Log.

CODE 1

SPELLING

See "Homework Expectations". Practice your spelling words every night. **CODE 1**

MATHS

Visit the **Mathletics** website every weeknight and practice your basic facts against worthy opponents around the world. If your Numeracy teacher has set you task/s you'll have to complete those first. If you want to try something different, try www.rainforestmaths.com You will need your Mathletics Username & Password to enter the site. If you do not remember or have lost your USERNAME and PASSWORD ask your teacher. **CODE 1**

Spring is in the Air

Your poems and artwork were fabulous last week. This fortnight focus on a **farm animal** and research it and write a report about it. You might include such things as it's life cycle, how it is farmed, what products are made from it? Etc.

OR Choose to research a **spring flower**. Where did it originate from? Growing conditions. It's lifecycle. Varieties grown, etc.

IN THE KITCHEN

Make, bake or cook something in the kitchen for your family. You'll need some supervision from an adult and depending what you make you may need some help.

Try baking some biscuits or muffins or create a delicious fruity smoothie or help Mum or Dad with dinner or dessert one night. Whatever you choose to make write into your homework book:

- What did you make? (title)
- How many did it make or serve?
- What were the ingredients?
- Write step-by-step instructions for a friend to follow.
- Would you make this again?
- How did it turn out?
- Would you change anything to make it taste or look better?

TERM REFLECTION — WEARABLE ARTS

We have had a busy term, especially designing and creating our Wearable Artworks. Reflect on how your term has been. Create a **PMI chart (Plus, Minus & Interesting)**. Rule up three columns with those words as your headings. Think about all subject areas: Maths, Spelling, Writing, Reading, Technology, Sport (including inter-school) and P.E., Art. Don't forget other things like if you went out of class for technology or art. **CODE 2**
